1. The "General Catalog of Talking Books" does not contain Braille literary or music publications, large type publications, or tangible apparatus. **Complete catalogs of Braille publications, large type publications, and tangible apparatus are published under separate cover and may be obtained upon request.**
2. All titles have been classified according to the Dewey-Decimal System as approved by the A. L. A., the main divisions of Non-fiction being rearranged in alphabetical order.
3. Ink-print publishers and copyright dates are given immediately following the author's name.
4. The Talking Book recording date is enclosed in brackets following the date of copyright.
5. Reading grades are indicated by Roman numerals for Grades I-X, or as Adult.
6. All Talking Books are microgroove. Those recorded at 33-1/3 r.p.m. are 12 inches in diameter and have a playing time of 27 minutes. Those recorded at 16-2/3 r.p.m. are 10 inches in diameter and have a playing time of 45 minutes.
7. **Talking Book records may neither be borrowed nor exchanged.**
8. The prices listed for Talking Books include records and envelopes only. Additional charges will be made for the special containers or albums necessary to protect the records in shipment. For a complete list of container and album prices see page 62. If not otherwise directed, the least expensive container will be used in shipping all orders.
9. The prices listed in this catalog do not include shipping charges, which are extra in all cases.
10. **As a nonprofit institution, we cannot accept charge or C.O.D. orders from individuals who have not established credit.**

List of Talking Book Publications
